Dear interested sponsors,

We are excited to announce that the Mary Susan Moore Medical Society (MSMMS) is partnering with the historic Ensemble Theatre to host the stage production "A Motown Christmas" December 18, 2022 at 3:00 PM. The theatrical production will be preceded by a VIP jazz reception with complimentary hors d'oeuvres and wine at 1:00 PM. All proceeds will go to support MSMMS scholarships for Black female medical students and physicians in-training. We are writing this letter to invite you to be part of this exclusive event at the sponsorship level.

Fundraising of scholarships for the next generation of physicians is a major component of our organization. Currently less than 3% of physicians are Black women and the average medical student debt is \$200,000, not including undergraduate studies. Mary Susan Moore Medical Society is proud to say we are making an impact in these statistics. MSMMS was founded in 1991 to provide health education and advocacy to communities in need, as well as, to support the training and development of Black female physicians. The inspiration for our organization is our namesake, Dr. Mary Susan Moore, the first African American woman to practice medicine in the state of Texas. Her passion for medicine, courage and perseverance continues to guide the mission of our organization today. Over the years, we have awarded scholarships to students and residents at Baylor College of Medicine, The University of Texas Health Houston McGovern Medical School, University of Houston College of Medicine, and The University of Texas Medical Branch in Galveston. Those recipients have gone on to pursue careers in various areas of medicine including Emergency Medicine, Obstetrics and Gynecology, Family Medicine, and Pediatrics. Last year we were able to award \$8,000 in scholarships. This year our goal is to raise \$15,000 in scholarship funds. We hope that you will support our efforts by lending your resources and/or financial support. Your contribution will afford MSMMS the ability to continue to transform communities and address the health needs of society through the development of future African American female physicians. On behalf of our organization, we thank you in advance for your support. Please contact me at [marysusanmoore@hotmail.com](mailto:marysusanmoore@hotmail.com) if you have any questions.

Thank you for your consideration,

Amya H. Mitchell, M.D.  
Mary Susan Moore Medical Society, President
